

Deposit and Withdrawal by Advanced Corretora

Valutrades is now offering customers a new payment method: Advanced Corretora. This is for both deposits and withdrawals and is available for customers based in Brazil. The new payment method makes it easier for Brazilian customers to deposit and withdraw quickly and securely. They can then access the Forex, CFD and Commodity markets through our broker.

Advanced web page

Here is a step-by-step guide on how to deposit and refund your funds by this method:

Step 1

Get in touch with the Account Manager of Valutrades within Advanced Corretora:

Name: Leandro Marchioretto

E-mail: lmarchioretto@advancedcorretora.com.br

Landline phone: (47) 3046-0048

Mobile phone/ WhatsApp: (47) 98832-2257

Skype: Advanced.sul

Step 2

Register at Advanced Corretora. The Advanced Corretora's team will send two documents that need to be completed, signed and sent back (Document names: Registration Form and Signature Card). Along with these two documents, you must also send:

- 1) Identification Document (RG and CPF or CNH or Passport);
- 2) Up to date proof of address of Water or Light or Landline Telephone bills (90 Days);
- 3) Income tax return with proof of delivery.

Upon receipt of all documents by Advanced Corretora's team, the deadline is up to 48 hours to activate the registration, providing everything is in accordance. The customer will receive a welcome email with the contact details of the Exchange Desk.

Step 3

Get in touch with the team of the Exchange Bureau of Advanced Corretora (cambiotrader@advancedcorretora.com.br) After the quotation approval and choosing the amount you would like to send, they will send a document called 'Exchange Transaction Closing Request' to be signed. Advanced Corretora at that time will facilitate the bank data of Advanced in Brazil for the customer to perform the TED in national currency. On the following business day, Advanced will remit to Valutrades already in foreign currency.

On the other hand, the Exchange table will need the following Valutrades information:

IBAN code

Swift code

Bank name

Sort code

Beneficiary's name

This Valutrades bank information can be found at this link within the Valutrades' client area:
<https://client.valutrades.com/funding/home>

Please bear in mind the base currency of your Valutrades trading account, and your base currency within the Advanced Corretora. This is important so that the correct bank information will be sent to you.

For example, if your base currency is in USD, you should choose:

USD

Account Name: Valutrades Limited USD Client Account

Account Number: 42799600

IBAN: GB85 BARC 2000 0042 7996 00

Swift: BARCGB22

The Advanced Broker will also request the Identification Number, which will always be the number of your trading account at Valutrades (the trading account that will receive the credit).

Step 4

Sending the value of the Advanced Corretora to Valutrades

Step 5

Your funds will be sent to Valutrades segregated client money account within 48 hours and credit to your trading account.

Step 6

Withdrawal of funds from Valutrades to Advanced Corretora.

In order to request a refund, Advanced Corretora will have to access their client's area through the link: https://client.valutrades.com/?_locale=en

Then you will need to go to 'my' Funds and then to withdrawal Request.

You need to fill in the following lines:

MT4 Account: Select your trading account number

Value: Enter the refund amount

Deposit Method: Select the Bank Transfer option

Name of Beneficiary: Enter your full name

Bank of the Beneficiary: BANCO PAULISTA S / A

Beneficiary Account Number / IBAN: BR766182081700000000259121C1

Swift Code for the Beneficiary's Account: PAULBRSP

Additional Instructions: Withdrawal back to Advance Corretora

Step 7

The Advanced Corretora team will contact you to inform the arrival of the order. If the customer wishes, you may request a quote to close the exchange data, and Advanced Corretora will pay the sum amount into the client's account in Brazil.
